POLYGONUM GLANDULOSUM SUBBA RAO—A CORRECTION

G. V. SUBBA RAO

Southern Circle, Botanical Survey of India, Coimbatore

The name *Polygonum glandulosum* Subba Rao given to the new species of *Polygonum* described in the Bulletin of the Botanical Survey of India (5: 257, 1963) is invalid as it is a later homonym. The earlier names are *Polygonum glandulosum* R. Br. Prodr. 419, 1810 and *Polygonum glandulosum* Poir. in Lam. Encycl. 6: 149, 1806.

I, therefore, propose a new name for the species under reference and the nomenclature with synonyms is given below.

Polygonum sarbhanganicum (Subba Rao) Subba Rao

Polygonum glandulosum Subba Rao (non Poir. 1804).
